WAWF Industry Meeting Action Items (2)

Description	Who Responsible	Date Due
Send Dave an example of a service invoice requiring a Certificate of Conformance	Jan Wilhelm	
Update and provide matrix (one exists, not updated for 3.0.9), of how to do different invoicing activities using what WAWF has.	Dave Guinasso	
Rewrite requirement for "removing suspended process" to indicate real need (prevent delay from exceeding 24 hours)	Jan Wilhelm	
Provide Dave Guinasso an example of a support equipment DD250 and why it cannot be done in WAWF now.	Jeff Lulejian	
Write up request to put in an automated recall as soon as a batch transaction load so we have opportunity to do attachment without worrying that doc will get signed or will flow through.	Bill Zirkel
